Fact Sheet

The **Appleton Education Foundation** (501(c)(3)), a supporting organization of the Community Foundation for the Fox Valley Region, has been working since 1997 to develop a steady source of support for grants now, and for many future generations of Appleton children. More than \$3.2 million in grants has been awarded since its founding.

AEF Mission: To creatively enhance education in our community.

Winagamie Golf Course celebrated 50 years in 2012. It has grown to a 27-hole facility under the guidance of former owner/operator Mary Beth Nienhaus. Winagamie consists of the following courses:

- Pines (established in 1962) is a mature course with hundreds of evergreen trees. Beautiful scenery, rolling hills and it offers a challenge to the average golfer.
- Woodlands (established in 2001) is a PGA Tour designed course with many holes cut through the woods. The course features wild flowers, wetlands, huge undulating greens, and numerous bunkers.
- Highlands (established in 2001) is a course designed for the average and beginner golfer. Juniors and seniors love this course. The 2,251 yard, par 33 course is the only course of its kind in the Fox Valley.

The course is located in the Fox Cities in the Town of Clayton in Winnebago County. The address is:
3501 Winnegamie Drive
Neenah, WI 54956

Annually more than 25,000 rounds of golf are played at Winagamie.

The **Fox Valley** or **Fox Cities** refers to a group of nineteen communities in northeast Wisconsin along the Fox River with more than 236,000 residents.

Winagamie Golf Course will operate separately from the AEF as a **taxable corporation**.

AEF and Winagamie Golf Course will partner with the **Appleton Area School District** and **Fox Valley Technical College** to provide students with hands-on learning opportunities that extend beyond the classroom. Additional educational partners may be considered in the future.

The driving range and 18 holes are open. The remaining nine holes will open when weather permits.
